

Notification Bar - BNA SMALL

06/05/2026 3:49 pm CEST

On the top notification bar on the monitor,
you will find:

- Audio guide volume adjustment.
- Date/time and serial number of the BNA SMALL safe.
- Notification Center, with safe alerts.
- Video tutorials for using the BNA SMALL safe.

The safe alerts are divided into:

INFORMATION (Green)

This section displays operational information.

WARNINGS (Orange)

This section displays Warnings and Non-Blocking Errors.

The BNA can continue to operate.

INFORMATION

WARNINGS

ERRORS

ERRORS (Red)
